Advanced Business Analytics Capstone

University
of Colorado
Boulder

Nov 30, 2025

Abzal Zhuman

has successfully completed the online Specialization

Advanced Business Analytics

In this specialization learners developed a comprehensive understanding of the entire lifecycle of analytics that they can apply to grow your business, increase profits, and create maximum value for shareholders. They gain such data analytics skills as extracting and manipulating data using SQL code, executing statistical methods for descriptive, predictive, and prescriptive analysis, and interpreting, presenting and discussing analytic results.
